Oaks Win Many Followers by Their Great Display of Gameness

STARTING SIX RUNS TO THE BAD, HOWARDITES SCARE BEAVERS; COLWELL SHOWS SHUTOUT CLASS

Del Howard's Oaks are going to win many a ball game this year on just pure gameness. Many a time they are going to nose out the other fellow when by all the rules of baseball they figure to lose. During the weeks of spring training a statement like that would be taken with a big pinch of salt; now with the season nearly three weeks old, there is none to dispute the statement that Del Howard must be given a world of credit for leading that experimental team of his up to the ears with the spirit of fight. Any team figures to outgame the other fellow once in a while, but it's been a long time since any Coast League club has made the consistent uphill fight to come from behind that the Oaks have made since the season opened.

Portland's first win of the series looks unfortunate on paper. It may stack up on the wrong side of the won and lost ledger. But that 8-to-6 Beaver victory on the Oakland lot probably won the Oaks more followers than anything they have done this year. Many a fan, discouraged by the showing of the Howardites against the Seals last week, is today a thorough believer that Howard has a first-division ball club. With Warren Adams due to arrive in town tomorrow and with the announcement of a new catcher due on the ground in another week, look out for the Oaks—that's all. You cannot drop the league on what the Seals, Tigers and Beavers have shown here so far without figuring the Oaks right up around there making trouble for the best of them.

POP ARLET GOES WILD

On straight baseball the Oaks figure to come close to breaking even with any team. But that old get-in-there-and-put-stuff-will-swing-it-for-you kind of Howard's camp that on straight baseball figured to be lost.

Portland's win in the Oakland lot was a fair example. From a baseball viewpoint it was not a game to rave over. Pop Arlett, usually one of the steadiest of hurriers, was off his feed. He walked five men and threw in a wild pitch in the second inning before the game was in the eighth. For the Oaks were pretty close to being favored for a few minutes in that eighth frame when they pulled up one run behind and had the bases loaded. Adams hit a single, a hit from Rod Murphy's bat would have changed in two runs and tied the score, but Penner pitched out and the three men and Murphy could not get the ball past Bill Rodgers for an easy out at first.

The Beavers started with a six-run lead. Six innings later the Oaks had the game where a clean swing would have won the game. It's a long road to travel before you equal that exhibition of gameness. It was one of those hollow victories that the novelties write about, but the Beavers were sure it was any other way than that they were outgamed all the way, and that those six walks—four of which Colwell went into—were in the second inning were all that saved them from three beatings in.

Eighteen Oaks got into the game. Howard used up all his other pinch-hitters, so in the ninth inning Colwell went to the plate himself. But a pop fly to Hollocher in the eighth, and a pop fly to Hollocher in the ninth, and a pop fly to Del could do and it was all over.

Arlett walked five men, threw a wild one to Hollocher in the eighth, and off second and handled one grounder for a forecourt at third in that second inning. His last throw was a pop fly to a run, and then Ray Kremer went out on the hill. Bill Rodgers poked one just before the second out, and Colwell won the third run of the game and leaving the bases all filled. Willie Munnamed one into right for a double, scoring two more. The bases did not look like a return, so Kremer walked Farmer to fill them up in the eighth. Rodgers scored the sixth run of the inning on Horton's long fly. Colwell, but a relay to Murphy caught trying to make third after the catch.

COLWELL IN SHUT-OUT FORM. Sixes Colwell took the slab in the next inning after Kremer had thrown a pinch hitter. And Colwell showed enough stuff to add one more name to the list of pitchers who seem due to get out and win their share of the ball games for the Oaks. Colwell worked for six innings with the game in his hands, and he was little inducement for a pitcher to work other than the spirit of the men behind him. Those six innings Colwell was hit six times, two runs going over. But both of those runs might have been in a position to head off the run.

In the third, Williams singled and stole. After that Kremer had pitched a wild one to Zambloch quite away from first. Zambloch waited for Colwell to run over to the plate and throw to the pitcher. Colwell was running with his back to the plate when he took the ball and could not recover in time to throw to the plate to stop Williams from scoring. Zambloch not only could have beaten Fisher to first, but he could have been in a position to head off the run.

MIGHT HAVE CUT OFF RUN. In the sixth, Murphy booted Breton's grounder, Hollocher walked and Rodgers

Amateur Athletic Titles to Be Held Up During War

NEW YORK, April 20.—The elimination of championship titles in amateur sports during the war in order to do away with the attraction such games would have for athletes is very probable today, following the adoption of resolutions by representatives of four bodies controlling the foremost conditions of organized amateur sports.

Officials of the Amateur Athletic Union, the United States National Lawn Tennis Association and the United States Golf Association endorsed the move.

The move provides that all scheduled games now planned be held regardless of war conditions and that the competition be thrown open to the public. Instead, certificates will not be awarded. Instead, certificates will not be awarded. Instead, certificates will not be awarded.

NEW YORK, April 20.—Elimination of championships in amateur sports during the war and the holding of competitions on such a basis as to interest all citizens in amateur sports for the improvement of their physical condition were advocated in resolutions adopted at a meeting of representatives from leading amateur sport governing bodies.

The resolution stated that the "youth of the nation should be encouraged to become physically fit and mentally alert, and that every effort should be made to interest all citizens in the improvement of their physical condition by systematic exercise and participation in sport, but that by reason of the state of war now existing it is not advisable to hold championships events at any date subsequent to a call of the government for volunteers or the commencement and operation of a bill for compulsory service."

And that in place of championship events, competitions should be held, in which certificates, instead of the usual prizes of medals should be the only award to the winners, such certificates to state that by reason of existing conditions the winners shall not be recognized as the champion for the year in the sport for which the competition is held.

And that all athletic meetings shall be conducted as patriotic demonstrations and should be held for the purpose of raising funds for the American Red Cross.

The meeting was attended by officials of the United States National Lawn Tennis Association, the United States Golf Association and the Amateur Athletic Association.

Charley Hall Holds Vernon Tigers in a Tight Place

LOS ANGELES, April 20.—Charley Hall pitched the Angels to their first victory of the week and a win today for the team with winning the first 1 to 0 game of the season. A hit by Gardner, a sacrifice by Corban, a steal by Hall, and a hit by Hall, went in to run for him. A walk and hit batter filled the bases. Bill Steen was out on the field, and repeated his last week's performance against the Oaks. Orr's single drove in Shinn, but Maisel cut off the threatened second run, and then Steen did the rest, holding Gilson to an easy infield out.

The question of holding scheduled tournaments was taken before the government officials by officers of the United States National Lawn Tennis Association. War Department officers advised the continuance of summer tennis schedules until such time as the department or the President might deem advisable to discontinue.

Athletic Fans Forget Baker When Bodie Drops Another Shot Into the Bleachers

Cut another notch in Ping Bodie's clutch that is boosting him along into the world series hall of fame. Yesterday he broke up the first extra inning game of the season for the Athletics when he leaped against one and dropped it into the left field bleachers. Bodie is today being heralded as a second Home Run Baker, despite the fact that yesterday's drive counted as a second Home Run. For there was only a three-run homer, and it was a tie score, so the winning run was only three bases from home.

But in order that the doubters might not say that Bodie's was a chance shot, he was hitting them all day yesterday. In six times at the bat he pounded out three singles besides that shot into the bleachers. In the game game Harry Bloomer went hitless six times. On the other hand, Lewis had a double and single in four times up, and Chet Thomas connected for one safety.

ELLIOTT STILL HITTING. Against the Pirates Rowdy Elliott and Harry Wolter continued to hit for the Cubs, each getting one safety. Elliott also hit one safely and started two doubles. Reuther hit for a triple and a single.

Hal Chase hit two and his mates piled up one on each hit. But St. Louis stopped the Reds for good with a 4-1 win.

Gus Gotsch flipped with one of the hits in a ninth-inning tie game at Cleveland. An 8-7 win over Detroit. Pep Young went hitless for the Tigers.

He and Gotsch were each charged with one error.

Gandil and Weaver each went hitless for the White Sox when Plank pitched St. Louis to a 6-0-2 win. Rubeberg scored one of the Sox runs and made one of their seven hits.

PECKINPAUGH STARTS THINGS. Peckinpaugh reached first on an error in the tenth inning and Gilchrist's double chased right arm and left leg. New York's winning run in a 5-2 score over Washington.

Stanley Johnson went in as pinch hitter for Brooklyn in the ninth, but could not connect. Gutshaw hit for a double and single and Olsen hit a single, but the Giants won 9 to 2.

OESCHGER OUT OF LUCK. Oeschger allowed the Braves only five hits, fanned five and walked one, completely outpitching Barnes. But the Phillies put up a poor brand of support.

Behind Oeschger scored one of the seven hits. In the last of the seventh, yesterday's big league hero—Ray Caldwell—came back after a bad start against the Red Sox, he defeated the Senators in ten innings 3 to 2.

Joe Scott and Ray Russell's main difference was that one did it with his right hand and the other with his left. The Browns beat both.

SPORTLETS

The Olympic Club has announced a plan of establishing drill classes for members, and the gymnasium will be devoted to training men for military service and putting the men through the fundamental physical training they will need.

Robert A. Roos has been re-elected president of the San Francisco Public School Athletic League. Dr. George W. Merritt has been named vice-president. Senator J. C. Nealon, second vice-president. Al Katschinski, treasurer. Thomas F. Boyle, membership secretary. And Gustave M. Pelotico, secretary.

Twenty-five girls are entered in the San Francisco tennis championship play for girls, which opens tomorrow. The wrestling game has proved too strenuous and uncertain for Frank Schuler, and he is on the verge of dropping out of promoter's activities along this line. Charley Newman and Harry Foley are welcome to the honors as promoters of all of San Francisco's wrestling bouts, says Schuler.

The Wanderers and Princesses Pats will play the second game of their series Wednesday night at the San Mateo Jockey Club. The Wanderers won the first match, 2 to 0.

Meadowbrook, Riverside and other teams have withdrawn from the annual spring tournament of the San Mateo Polo Club, leaving the plans of the club remain to make up four strong teams and good lineups will be picked for the spring games. The first game will be played Sunday for the benefit of the Red Cross.

San Francisco High School swimming teams met in the Sutter tank tonight for the sixth annual championship of the San Francisco Athletic League. The Olympic Club bowlers finished fourth in the international bowling tournament, according to standings just announced. Minneapolis Columbus and Detroit finished in the order named ahead of the Olympics.

Benedicts Will Meet Bachelors at Bushrod

Captains Frank Woodward and Gus Ries have both announced their lineups for the game to be staged at Bushrod grounds. From the lineups that both captains have selected it is a mystery to solve which of the two teams will have being played for. Woodward, captain for the Benedicts, says it is a clinch for the Bachelors to pay for the bats, while Ries, at the head of the Bachelors, says it will be up to the Benedicts. Later Openings for Majors Again Urged on Weather Account

NEW YORK, April 20.—When blizzards and blustery weather began to take knots in eastern baseball this spring, Charles H. Ebbetts Jr., who helps run things for the Brooklyn National League club, expressed himself as favoring later openings for the major leagues.

Every year or so there is some talk of setting the dates back, but when a good spring comes along and shovels in the dollars, the talk usually is quickly dropped. Spring in this section this year, however, was so backward that the talk promises to take definite form. It is no fun for a baseball manager to get a team in condition and then come north to the chilly blasts of unfavorable weather. It has been some time since a really favorable day appeared for the opening games.

"Nearly every year of late we have been getting wonderfully good baseball weather at the close of a season," said Ebbetts, "and this is again unfavorable days in the spring. It would make a difference if we opened two weeks later and closed a bit later in the fall. Schedules would work just the same. It has been customary in late years to have the best baseball weather of a season along toward its close. I believe we should take advantage of it."

"Of course, there are some springs when conditions are ideal for baseball. But they are uncertain. Autumn weather recently has been consistent. I believe it's best to take what we are sure of."

John K. Tener, president of the National League, however, holds a different view. "I do not believe advancing the opening would have any effect on a season," "Bad weather," he declared, "is just as likely to show up late in May as in the middle of April, and a glance at our records will show this. However, I can't see that it would hurt us any to make the change, and, if our managers want it, it's up to us to make the switch."

Yacht Cruises and Races Called Off for the Year

Tomorrow is opening day for the 1917 yachting season around the bay, and with it comes the announcement that the season's schedule of races and cruises will be called off, owing to the war. The San Francisco Yacht Club has already informed members that the schedule is cancelled for the year, and other clubs, the Oakland club included, will undoubtedly do the same. The Navy Department is expected to ask all clubs about the bay in order that members may devote their attention to affairs of war.

The Oakland San Francisco, Corinthian, Alcatraz, Sausalito and South Bay clubs will participate in the opening festivities tomorrow and Sunday, and over 300 boats will probably be on hand for the sail around the bay that features the Sunday program.

There will be a social program in the Corinthian and other clubhouses tomorrow afternoon and evening, and on Sunday morning the hosts of all the clubs will gather off the San Francisco club quarters for the annual parade around the bay.

STECHER "COMING BACK." KANSAS CITY, Mo., April 20.—Joe Stecher, Dodge, Neb., mat marvel, had started on his way back today in his campaign to regain recognition as the nation's wrestling champion. Stecher, by use of his famous body scissors hold, here last night, threw Ivan Linow, giant Russian, in two straight falls. The first fall was gained in eighteen minutes and the second in thirteen.

THINK of a cigarette 'served' to you as appetizingly as the hot, buttered toast that comes to your breakfast table.

Well, that's the idea on this new Lucky Strike cigarette: the tobacco—it's toasted. There's a thought to make your mouth water for a new cigarette flavor.

Until we discovered the toasting principle, a good ready-made cigarette from Burley tobacco wasn't possible; flavor wouldn't hold.

Yet there was the big million-man-power affection for Burley—60 million pounds poured from those green, blue and red tin boxes last year.

The old kitchen stove—the toasting fork

So we worked five years—then came the big simple idea of toasting the tobacco to hold the flavor. Now, enjoy a really delicious new cigarette flavor: Lucky Strike—the real Burley cigarette—it's toasted.

From across the bay comes the formal announcement of the betrothal of Miss Elinor McNear, the younger daughter of Mr. and Mrs. George W. McNear Jr., to Mr. Swift Train. Dainty notes to the closer friends of the popular young couple told the interesting secret. Although no definite plans are made for the marriage the wedding will not be long postponed. Miss McNear has all the charm and beauty of her family. She spent the earlier spring in Honolulu, where she was extensively feted, returning but a brief while ago. She is the granddaughter of the late Mrs. George W. McNear. Her sister, Ernestine, a few seasons ago became the wife of George Nickol. The McNeairs are representative of the older Californians. Until the past two or three years the family home was in Piedmont, but was given up in favor of a handsome place in San Francisco. The bride-elect is the niece of Mrs. P. E. Bowles and Mrs. Edward L. Bray.

Miss McNear is a graduate of one of the exclusive eastern finishing schools. Her dance in the son of Mr. and Mrs. Elmer McNear, of New York, and a brother of Miss Mary Train. Formerly he was engaged in business in San Francisco although at present interests are in the Hawaiian Islands. However, he is hoping to again come to the bay cities to reside.

Miss Jessie Craig was a luncheon hostess this afternoon, entertaining in honor of Miss Esther Cooley, whose betrothal to Eric Craig was announced a week ago. Covers were laid for a dozen friends, who later enjoyed a game of bridge.

Sub-debutantes, debutantes, belles and matrons are letting nothing hinder the path which they have so patriotically laid out for themselves in mastering the primary rules in first aid. Some of the girls who have played most gayly this winter have now laid aside their mirth and on Friday mornings at least are working out more seriously. And in the intricacies of binding up even an imaginary wound they are finding there is an art which is not easy of mastery and worthy of their most careful efforts.

Not so long ago those who are prone to watch the tendency of the times and toll of the sights which they have seen for the gayety of the nation, were distressed that age only met age and that generation could not now mingle together in that fellowship of a quarter or a half-century ago. And there was a bit of excitement over the statement which none dare contradict. Silence gave consent to the truth of the statements advanced. But if it were true a brief season ago the renaissance has come. Mothers and daughters, nay, even grandmothers are standing shoulder to shoulder nowadays, accepting their lessons from the same books and practicing the same simple exercises.

It one just drops into the spacious Piedmont home of Mrs. Oscar Long in "Hazel Lane" on Friday mornings one may find an interesting phase of this renaissance demonstrated. Miss Anne Elizabeth Crowder, Miss Elizabeth Adams, Miss Amy Requa, the winter's trio of debutantes, are working along with Miss Amy Long, Miss Marion Becker, whose debuts are yet to come, Mrs. Clinton Walker, Mrs. Walter Starr, Mrs. Frank Hurst, Mrs. Murray Johnson, Mrs. Mark Requa, Mrs. Lowell Hardy, Miss Viola, who are bonding up attention to instruction in first aid. The class is really in its infancy, hardly a month's work having been accomplished, and yet the members are becoming expert in their knowledge of succoring the injured.

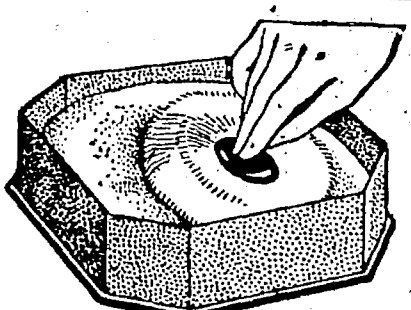

A brilliant benefit which is in anticipation for the local chapter of the Red Cross Society is that for which the Home Club is donating its East Oakland building on the evening of Thursday, May 3. Living pictures of the various periods of American history, with the introduction of some of the famous history-working personages, will occupy the first hour of the evening with a dance rounding out the affair. The program is being

arranged under the direction of Miss Marie Allen. Among the women who are particularly interested in the benefit are Mrs. Grace A. Gray, Mrs. J. D. Eby, Mrs. E. A. Heron, Mrs. Glenn Barnhart, Mrs. Sam Belle Wakefield, Mrs. Dudley Kinsell.

A June wedding which will claim the attention of many friends throughout California will be that at which Miss Zella Eddy will become the bride of Robert M. Yelland. The residence of the bride's brother, Professor Augustus J. Eddy, in North Berkeley, will lend the setting to the interesting ceremony. Miss Eddy is

the daughter of Mr. and Mrs. A. J. Eddy, who closed their home in the college town some little time ago to take up their residence in Shasta county, where they are now living. She took her degree from the University of California. She was a member of the Prytanean and Big C societies.

Yelland is manager of the C. C. McNear ranch near Cottonwood. He graduated from the University of California, becoming a member of the Alpha Zeta honor society.

Mrs. Newton Booth Knox was a hostess of yesterday afternoon, entertaining at the Francesca Club in San Francisco. The function was arranged in compliment to the Princess Troubetsky, who is one of the most widely feted visitors in California this season. When abroad Mrs. Knox knew the family of her today's guest of honor, although their first meeting took place in San Francisco. Among those who were included in the delightful affair were Mrs. Sydney Cloman, Mrs. Charles Rolfe, Mrs. Jerome Landfield, Mrs. Charles Cobb, Mrs. C. Wellington Cobb, Mrs. Charles Nichols, Mrs. Charles Butters, Mrs. Charles Watts, Mrs. Stewart Hayward White, Mrs. Charles K. Harlow.

Mrs. Knox, who, before her marriage to the clever mining engineer, was Miss Mary Blossom of Berkeley, has been in California for some months. After her visit, which was completed the war alarm continued her sojourn and from time to time her departure was named and again postponed. She had hoped to sail for Spain and gradually work her way up into France, where she would be joined by her husband. But for the present at least Mrs. Knox will very definitely stay in Berkeley without any very definite idea of when she may be able to depart.

A luncheon is the favor which Mrs. Jack Bartholomew is offering Miss Jane Foster tomorrow afternoon. The pretty home across the bay will be opened to a score of guests who later will enjoy a game of bridge. Miss Foster is the promised bride of Howard Matthew Taylor, the wedding planned for Wednesday of the coming week in the First Presbyterian church in Berkeley.

Mr. and Mrs. William R. Williams are closing their Claremont home about the first of June, when they are leaving for New York. Their presence is demanded by the annual convention of the National Bankers' Association, of which Williams is a high official. He is state superintendent of banks in California. Aside from the courtesies which will come to them in an official way, Mr. and Mrs. Williams are planning some interesting sight-seeing trip and pleasures before their home-coming.

Miss Lois Williams is entertaining in honor of her sister, Miss Bernadette Williams, Saturday afternoon of next week. The charming young bride-elect has as yet made no definite plans for her marriage with John Alton Ernest Jr. of Sacramento, although the wedding will take place later in the summer. The afternoon of Thursday, May 3, Miss Florence Patton is opening her North Berkeley residence for a tea which will claim a number of their mutual friends.

In compliment to Mrs. B. Williams Winters, who is spending the season in California from her home in the north, Mrs. George W. Applegate was hostess at tea yesterday at her attractive home across the bay. A score of friends were asked to meet the attractive young matron. Before her marriage, which took her to Spokane to reside, Mrs. Winters was one of the popular girls in the smart set about the bay.

In honor of Miss Jeannette Maxfield, Miss Alice Burdick gave a beautifully appointed dinner last evening at the family home in Vernon street, sharing her hospitality with a dozen close friends. She was assisted in her hostess duties by her mother, Mrs. C. M. Burdick. The affair came as a complete surprise to the charming young guest of honor, who was celebrating the anniversary of her birthday.

Mulford ranch will be the scene for a delightful party tomorrow when Mrs. Robert H. Collins entertains in honor of her young daughter, Miss Ruth Collins. A large number of guests will motor out to the San Leandro estate from town, joining in the merry-making of the alfresco affair.

Mrs. Raymond Force was a luncheon hostess of the week, asking a dozen close friends to share the hospitality of her Crescent avenue home. Those for whom covers were laid were her aunt, Mrs. Bullard, Mrs. James P. Potter, Mrs. H. B. Holmes, Mrs. William N. Jenkins, Mrs. H. B. Kergan, Mrs. Lorenus Yates, Mrs. C. H. Mitchell, Mrs. C. Talbot Smoot, Mrs. William J. McCracken, Mrs. George P. Reay, Mrs. A. A. Mariatt, Mrs. Frank N. Ball.

In honor of Miss Mae Lewis, who next week will become the bride of Robert Burckhalter, Mrs. Charles W. Burckhalter gave a beautifully appointed reception on Wednesday evening, asking more than a score of friends to greet her. Red tulips carried out a charming color scheme. The bride-elect was showered with some dainty things which will be added to her trousseau.

Miss Isabel Hunter has gone down to Monterey for a visit of some weeks with Miss Evelyn McCormick. Miss McCormick has one of the attractive studios in that favorite gathering ground of the artist colony which is the center of an interesting life among the men and women who are doing things worth while in the field of art.

A bridge tea, assembling a half-hundred mutual friends, is the pleasure which Miss Martha Linderman and Miss Alice Culbert are planning for tomorrow afternoon. They will entertain at the Linderman residence.

Hookins, former vice-president of the International Association of Bridge and Structural Iron Workers, now in federal prison at Leavenworth, Kas. Hookins is serving a sentence for conspiracy in a conspiracy to transport explosives contrary to federal statute and was not connected with a conspiracy to dynamite the Los Angeles Times building in 1910, as previously stated. Delicious
Sally Lunn's
in fifteen minutes!

(Report No. 5) By the man who timed them

One Friday last Winter, I purposely went home early. I found my wife at the piano.

She asked me if I still wanted the Sally Lunn's that night.

"Yes," I answered. I had gone home especially to get posted on Cottolene.

"All right," she said. "Come along. Watch and you may learn how to do it yourself."

My thoughts ran ahead. *Would the crust be crisp? That's the real test of Sally Lunn's with me.*

Of course I don't remember all my wife did. But I do know that she used one-third less Cottolene than we usually use of butter.

She was pleased to see how easily the Cottolene mixed with the flour. I fidgeted and waited.

She took them out of the oven in fifteen minutes. I had been timing Cottolene.

The Sally Lunn's were absolutely light and delicious.

I wish you had seen their tempting golden color! And crisp doesn't begin to describe the crust. It's something you would have to taste to really understand.

If you have never tasted Sally Lunn muffins made with wholesome Cottolene, take my advice—do.

DYNAMITE PLOT IN OHIO FOILED

COLUMBUS, Ohio, April 20.—An attempt to blow up the state house became known today. Part of an electrical contrivance designed to fire off dynamite, now in the hands of Major T. G. Bagley, Third regiment, Ohio National Guard, was discovered by W. H. McManis, a teamster in the employ of the state.

NERVOUSNESS AND BLUES

Symptoms of More Serious Sickness.

Washington Park, Ill.—"I am the mother of four children and have suffered with female trouble, backache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies."

PUT STOMACH IN FINE CONDITION

Says Indigestion Results From an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air, says a noted authority. He also tells us that indigestion is caused by Hyper-acidity, meaning there is an excess of hydrochloric acid in the stomach which prevents complete digestion and starts food fermentation. Thus everything entering the stomach much like garbage soars in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we belch up gas, we cravate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast and drink while it is effervescent, and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.—Advertisement.

Old Glory and Patriotic Song Bring Many Recruits

MISS NORMA LESLIE, 17-year-old Oakland high school girl, who accompanied navy recruiting party throughout county and sang "The Star-Spangled Banner" to arouse patriotism. The insert is BUGLER J. S. SPIDEL.

Plans Completed for Big Military Ball to Be Held Monday at Auditorium

A sight of Old Glory, a few bars of the "Star-Spangled Banner" and the glimpse of a few uniforms of Uncle Sam's service brought thirty recruits into the navy and naval reserve fold in an over-county tour by a recruiting party in an automobile yesterday. The party consisted of Chief Electrician Frank Bidwell, U. S. N., Chief Yeoman L. B. Gross of the naval reserve, and Bugler J. R. Spidel.

The party were accompanied by Miss Norma Leslie, 17-year-old Oakland high school girl, who was costumed as Columbia and sang patriotic songs at the various stopping points. The itinerary, which took almost all day, included Niles, Livermore, Hayward, San Leandro, Lafayette, Pleasanton and other towns. In each instance the party halted in front of the postoffice, where a few brief remarks and the song formed the means whereby a crowd was attracted.

Plans have been completed for the big military and naval ball, which is to take place under the auspices of the enlisted men of the navy, now in port, at the Oakland auditorium Monday evening. It is expected that nearly 2500 officers and men of the fleet will be present, invitations having already been sent out for the affair.

The ball will be preceded by a reception to the visiting officers and enlisted men, at which Harry E. Anderson, Commissioner of Public Works, will make a brief address. The purpose of both ball and reception is to interest young men in the navy work and induce them to enlist. Special meals will be supplied by a ship's band of sixty pieces, and a special armed guard of more than 100 men will be on patrol duty at the auditorium to prevent trouble.

Enlistments are slow in this city, according to recruiting officers' reports for the past two days. At the U. S. Albatross' office four men who applied for admission to the navy service passed their examinations and were sworn in. At Battery B headquarters five more enlistments were reported with several additional ready for tabulation today.

WASHINGTON, April 20.—Naval recruiting yesterday showed a net gain of 1322 men or an average daily gain for the week ending yesterday of 1322. With this addition the total combined strength of the postoffice, where a few brief remarks and the song formed the means whereby a crowd was attracted.

Albatross' office four men who applied for admission to the navy service passed their examinations and were sworn in. At Battery B headquarters five more enlistments were reported with several additional ready for tabulation today.

WASHINGTON, April 20.—Naval recruiting yesterday showed a net gain of 1322 men or an average daily gain for the week ending yesterday of 1322. With this addition the total combined strength of the postoffice, where a few brief remarks and the song formed the means whereby a crowd was attracted.

Plans have been completed for the big military and naval ball, which is to take place under the auspices of the enlisted men of the navy, now in port, at the Oakland auditorium Monday evening. It is expected that nearly 2500 officers and men of the fleet will be present, invitations having already been sent out for the affair.

The ball will be preceded by a reception to the visiting officers and enlisted men, at which Harry E. Anderson, Commissioner of Public Works, will make a brief address. The purpose of both ball and reception is to interest young men in the navy work and induce them to enlist. Special meals will be supplied by a ship's band of sixty pieces, and a special armed guard of more than 100 men will be on patrol duty at the auditorium to prevent trouble.

Enlistments are slow in this city, according to recruiting officers' reports for the past two days. At the U. S. STAGE GLAMOR SUPPLANTS LOVE

Stage glamor has supplanted love romance in the mind of pretty Miss Marguerite Mau, former student of the Technical high school, and instead of marrying Jack Smith, a fellow student, as was rumored, she has gone on the stage at Seattle as a classical dancer. In following a stage career, according to her mother, Mrs. Ernest Mau, 1505 Union street, Miss Mau is carrying out her ambition to be a dancer, for which she has been preparing for several years. She will make her first appearance behind the footlights in Oakland in July, when she comes here with the rest of the company. My daughter was acquainted with Jack Smith at the Technical high school, but there is certainly no truth in the rumor of their marriage," said Mrs. Mau. "I suppose the report of their marriage was spread at school because Smith left there to start work. He is only 17 years old and besides is not in a position to marry. My daughter is 20 years. She could have had a dozen suitors, but decided to fulfill her ambition to become a dancer."

The report, circulated at the Technical high school, which Mrs. Mau has denied, was to the effect that Miss Mau and Smith were married during the school vacation.

BOY SCOUTS WILL CULTIVATE GARDEN

Oakland's seven hundred Boy Scouts will be mobilized in a busy campaign to put an order received here from the Boy Scout executive headquarters at Washington, D. C., to observe April 21 as "National Planting Day" under the plan that "every scout feed a soldier." On that day 218,000 Boy Scouts throughout the country will join in a movement to raise the production of foodstuffs by planting vegetables.

Boy Scouts of Oakland have been considering for some time a plan to increase the production of foodstuffs, and definite action will be taken at the mobilization," said H. R. Wilson, executive secretary of the Oakland Boy Scouts council.

It is proposed that instead of making the boy scouts a sort of military unit, by having them employ their services largely in helping feed the soldiers. The scouts will tend plots of ground and we intend to have a community troop plot on a large piece of ground where a number of scouts can take up gardening.

The date of the mobilization day will not be held out until the last of the month, to test the readiness of the scouts in responding to the call.

PARADE PLANNED

Members of the First Christian church, Webster street and Grand avenue, will participate in a patriotic demonstration and automobile parade tomorrow afternoon, at the time being taken at the mobilization," said H. R. Wilson, executive secretary of the Oakland Boy Scouts council.

The first report of wire tapping was made by the Western Union Telegraph Company. During the investigation the apparent tapping ceased.

The Western Union is today considering establishing a patrol along its lines in the vicinity passing through districts affording an opportunity for wire tapping.

NUTRATED The Power behind the Strong Vigorous Iron Men of Today

Dr. Ferdinand King, a New York City Physician and Medical Author, writes: "There can be no strong, vigorous, iron men nor beautiful, healthy, rosy-cheeked women without iron—Nuxated Iron taken three times per day after meals will increase the strength and endurance of weak, nervous, run-down folks 100 per cent in two weeks' time in many instances. Avoid the old forms of metallic iron which may injure the teeth, corrode the stomach, and thereby do more harm than good. Take only organic iron—Nuxated Iron. It is dispensed in this city by The Owl Drug Co. and all good druggists.—Advertisement."

PLYMOUTH PLANS LOYALTY SERVICE

Loyalty will be the keynote at Plymouth Church Sunday. During the week section meetings have been held at private houses throughout the parish at which loyalty to the nation and to the church that it may more effectively serve the nation in this critical period has been urged. Sunday morning, in accordance with President Wilson's recently expressed desire for co-operation by the ministers, Rev. Albert W. Palmer will preach on "National Service," and in the evening on "Greater and Lesser Loyalties." The church will be profusely decorated with flags and the national anthem will be sung. All who do not attend church elsewhere but who are loyal citizens are especially invited.

At Sunday school, which meets at 10 o'clock, a "stunt" will be pulled off by forty-five boys and girls illustrating what the mysterious word "comrades" means.

League of Cross Cadets Prepare Benefit Dance

MISS ANNA AUSTIN.

Proceeds Will Aid Company E in Going to Regimental Encampment

Aided by young women friends, members of Company E, League of the Cross Cadets, are working zealously for the success of their benefit dance, to be given next Tuesday evening in Knights of Columbus Hall, 650 Thirteenth street. Among those in the feminine ranks who are giving much time to completion of arrangements are Miss Agnes Toomey and Miss Anna Austin.

The local unit of the Cadets will attend the regimental military encampment at Long Beach, June 1-5. Sixty more will make the Southern trip, engaging in military pursuits and learning of aggressive and defensive methods. The dance benefits will aid in paying for the transportation of the troop to Long Beach.
